LANDSCAPE PERMIT APPLICATION

General Requirements per Municipal Code Section 17.78.020: A landscape plan shall be required for the establishment of any new landscaping for new construction on any lot within the city. Water efficiency standards will be applicable for landscaping on remodels and additions in the case that existing landscaping is replaced and/or new landscaping is installed. All turf, plants and trees shall be watered by an efficient irrigation system. No turf areas may be less than eight (8) feet in length or width. Plants and trees listed as low and medium water use on the Graham County Plant List may be used without limitation. Turf, plants and trees listed as high or not listed in the Graham County Plant List are considered water-intensive landscaped areas and are limited as described in the following sections.
