Glenn Meadows Grand Re-Opening

Saturday, September 23, 2017

4:00-6:00 p.m.

Ribbon Cutting, Sports Activities, Music, Food

6:00-8:00 p.m.

Outdoor Movie

Over the past year, through support of local community grants and funding from Freeport McMoRan, United Way of Graham County and the Safford Lion's Club, the Glenn Meadows Park which had become an eye sore for surrounding neighbors, has undergone a complete renovation. Glenn Meadows Park has been in our community since the 1970s, and with the recent renovations, this park will become a great asset to our community again. The park offers common park amenities such as play equipment, covered picnic areas and restroom facilities, along with a basketball court, volleyball court and a large grass playing field which will help serve many sports leagues throughout our community.

Central Avenue Project

The areas directly affected by the project are Central Avenue, Main Street, 7th Street, and 8th Street. The public should expect a closure of a stretch of Central Avenue from eighth street to Main Street around the first week of September.

The purpose of this project is to remove and replace a section of Central Avenue in between 8th Street and Main Street due to its rough, uneven condition. The existing concrete roadway (which used to be the highway through Safford) will be torn out and replaced with asphalt pavement. New sidewalks at the intersection of Central Avenue and 7th Street will also be included in this project.

Drivers in this area: please be cautious of equipment and workers alike, stay alert when using Central Avenue and the surrounding roadways.

Upcoming Events:

- September 4: Labor Day Holiday Observed
Check out this listing for [things to see and do](#) in our community over the long weekend.
- September 16: Hispanic Family Heritage & Scholarship Event
- September 23: Glenn Meadows Park Grand Opening
