FAQ: CAN I FLUSH MY UNUSED PRESCRIPTIONS?

Safford Police encourages citizens to take their unused medications to the Police Department for proper disposal. This practice keeps prescription medication out of the hands of children and out of our water supply. It also aids in keeping dangerous drugs off our streets and out of the hands of addicts.

SAFETY MESSAGE

October is always a busy month in and around the City of Safford! With area Homecomings, the Fair and Parade, the Harvest festival and Halloween, there will be an increase in traffic, bicycles, pedestrians, scooters, etc. The Arizona Governor's Office of Highway Safety and the Safford Police Department would like to remind everyone to buckle-up, don't drive distracted and be safe.

THINGS TO SEE AND DO

Many area schools will be having fall break this month. Looking for nearby things to do with the family? See our list [here!](#)
