

## HIGHWAY 70 SAFETY AND MOBILITY IMPROVEMENTS IN SAFFORD

The Arizona Department of Transportation is completing a project to make safety and intersection improvements on US 70 from 20th Avenue to Eighth Street in Safford.

### Key improvements include:

- Lighting upgrades throughout the work zone
- Americans with Disability Act improvements
- Hollywood Road/Eighth Street intersection modifications
  - Hollywood Road converted to a T-intersection
  - Eighth Street converted to a cul-de-sac
- US 70/Walgreens entrance improvements

The project is scheduled to begin in early February 2019.

US 70 will remain open throughout the project, but traffic may be reduced to a single lane in each direction while work is occurring.

ADOT will maintain access to businesses throughout the work zone.

Drivers and pedestrians should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

Schedules are subject to change based on weather and other unforeseen factors.
