

EAST 8TH STREET IMPROVEMENTS AND PINE AVENUE CONNECTION PROJECT

The City has contracted with PAP, LLC to complete the East 8th Street Improvements and Pine Avenue Connection project. The project includes the rubblization of existing concrete pavement and construction of new curb and gutter, sidewalk, drainage, and asphalt pavement.

WHAT: East 8th Street Improvements and Pine Avenue Connection

WHEN: June 2020 – August 2020

WORK HOURS: 6:00 a.m. to 6:00 p.m., Monday - Friday

WHERE: East 8th Street between US HWY 191 and US HWY 70
(map on following page)

PROJECT IMPACTS:

- Temporary road closures
- Heavy equipment traffic
- Construction noise and vibration
- Local traffic will be allowed to access residential areas and businesses during construction but will be required to follow designated detours.
- Pedestrian access may be limited on sidewalks and cross streets in construction zones.

ADVISORIES:

- Please obey all posted construction signs and do not enter the work construction zone.
- Please use caution when travelling through the project areas, and let's keep everyone safe.

*Construction is a dynamic process and information is subject to change without notice.
Work activity is subject to weather conditions.*
